**652775**

### Key Product Information

<b>IMPA</b>	652775	<b>Product Name</b>	Liquefied Gas Level Meter
<b>Specification</b>		<b>Unit</b>	
<b>Category</b>	65 - Measuring Tools	<b>Origin</b>	China

### Description

When radioactive waves pass through a material, the rays are deflected at different speeds based upon the density of volume of liquid in the material which they come in contact with. Liquefied gas level meters use this property to measure the residual I
