Jinbo Marine supplies IMPA marine stores and ship equipment for global marine and offshore customers.

### Key Product Information

<b>IMPA</b>	735060	<b>Product Name</b>	Anti-Corrosive Coated Flexible Pipe Coupling (For
<b>Specification</b>	Pipe O.D.:355.6mm,Pipe O.D.:14",H in:455mm,No. Of Bolts:6,Working Pres.:29 Bar,Weight:25.6kgs	<b>Unit</b>	pc
<b>Category</b>	73 - Pipe & Tube Fittings	<b>Origin</b>	China

### Description

These expansion joints are designed to absorb quick expansion and contraction of pipes resulting from the high temperature of fluids such as exhaust gas,high-temperature water,etc.A variety of packing materials can be used based upon the temperature and t
