

79 - ELECTRICAL EQUIPMENT

# Self Limiting Parallel Circuit Heater

IMPA CODE  
**794381**

Jinbo Marine supplies IMPA marine stores and ship equipment for global marine and offshore customers.

## Key Product Information

<b>IMPA</b>	794381	<b>Product Name</b>	Self Limiting Parallel Circuit Heater
<b>Specification</b>		<b>Unit</b>	mtr
<b>Category</b>	79 - Electrical Equipment	<b>Origin</b>	China

## Description

Auto-Trace is the electrical parallel circuit heat-tracing system. This unique technology enables the heater to vary its power output in response to sensed temperature increases, Auto-Trace automatically decreases its output, and vice versa. In this way, the h
