

Jinbo Marine

Marine Stores & Equipment Datasheet

IMPA DATASHEET

79 - ELECTRICAL EQUIPMENT

Self Limiting Parallel Circuit Heater

IMPA CODE
794386

Jinbo Marine supplies IMPA marine stores and ship equipment for global marine and offshore customers.

| Key Product Information | | | |
|-------------------------|---------------------------|--------------|---------------------------------------|
| IMPA | 794386 | Product Name | Self Limiting Parallel Circuit Heater |
| Specification | | Unit | mtr |
| Category | 79 - Electrical Equipment | Origin | China |

| Related IMPA Products | | | |
|-----------------------|---------------------------------------|---------------|------|
| IMPA | Name | Specification | Unit |
| 794381 | Self Limiting Parallel Circuit Heater | | mtr |
| 794382 | Self Limiting Parallel Circuit Heater | | mtr |
| 794383 | Self Limiting Parallel Circuit Heater | | mtr |
| 794384 | Self Limiting Parallel Circuit Heater | | mtr |
| 794385 | Self Limiting Parallel Circuit Heater | | mtr |
| 794387 | Self Limiting Parallel Circuit Heater | | mtr |
| 794388 | Self Limiting Parallel Circuit Heater | | mtr |
| 794389 | Self Limiting Parallel Circuit Heater | | mtr |
