

SCREW PUMP

2LB-500 Marine Horizontal Twin Screw pump

ISO9001 Supplier

Class Certificate

Export Supply

Installation tyep: Horizontal type and vertical type Structure type: Casting type and welding type Wrming type: According to the demands of media, it can be warmed up Material: The materials of pump body contain cast-...

Key Highlights

Category	Screw Pump
Standard	DIN
Material	According to the demands of media, it can be warmed up Material:
Certificate	ABS, LR, BV, DNVGL, NK, KR, IRS, RMRS, CCS

We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.

Technical Specifications

Category	Screw Pump	Model / SKU	2LB-500-Marine-Horizontal-Twin-Screw-pump
Standard	DIN	Material	According to the demands of media, it can be warmed up Material:
Certificate	ABS, LR, BV, DNVGL, NK, KR, IRS, RMRS, CCS	Warranty	12 Months unless specified otherwise
Origin	China		

China 2LB-500 Marine Horizontal Twin Screw pump:

Installation tyep: Horizontal type and vertical type
Structure type: Casting type and welding type
Wrming type: According to the demands of media, it can be warmed up
Material: The materials of pump body contain cast-steel, cast-iron, cast stainless steel, Q235 steel, 304stainless steel,

316L stainless steel, weld and so on. The material of the screw cover cast-steel, cast stainless steel, ordinary steel, 304 stainless steel, 316L stainless steel, 17-4PH and so on. Meanwhile, customers can choose appropriate materials based on their different working situation.
