BCD-221 Marine Refrigerator

1. High-performance compressor, lower energy consumption, environmentally friendly refrigerant, high cooling efficiency
Built-in high-efficiency evaporator, long service life, deep cold and quick freezing
2. Wide voltage design
3. Cyclopentane hydrocarbon fluorine-free microcellular foaming, good insulation performance
4. The appearance is simple and fashionable, beautiful and elegant
5. With automatic low temperature compensation function, no need for you to do it, worry-free and rest assured
6. Equipped with stainless steel adjustable feet for easy installation on board
