We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.

Technical Specifications			
Category	Marine Kitchen Galley	Model / SKU	BCD1000-Vertical-Refrigerator-freezer
Standard	EN	Material	BCD1000 Vertical Refrigerator-freezer 1.The main material of the machine is constructed with food grade SUS 304 stainless steel, and it's with simple and generous appearance;
Weight / Size	Model Power supply (V/Hz) Power (kW) Nominal volume (L) (°C) Drain interface Incoming line interface Dimension (mm) BCD1000 ~220/50-60 2 700 -18 ~ +8 φ16 PG21 (W×D×H) 1400×700×1900	Certificate	ABS, LR, BV, DNVGL, NK, KR, IRS, RMRS, CCS
Warranty	12 Months unless specified otherwise	Origin	China

CONTENTS

- BCD1000 Vertical Refrigerator-freezer

- Technical data:

BCD1000 Vertical Refrigerator-freezer

- 1.The main material of the machine is constructed with food grade SUS 304 stainless steel, and it's with simple and generous appearance;
- 2.The machine is with advanced technology, reliable quality, it's easy to use and maintenance; in addition, it's intellectualized, energy-saving, effective and real-time management is also can be achieved;
- 3.It's with design of program control refrigeration cycle;
- 4.It's equipped with high configuration large super high-definition display, which shows real-time working status and a warning signal can be sent when it needs maintenance.

Technical data:

Model	Power supply (V/Hz)	Power (kW)	Nominal volume (L)	(°C)	Drain interface	Incoming line interface	Dimension (mm)
BCD1000	~220/50-60	2	700	-18 ~ +8	φ16	PG21	(W×D×H) 1400×700×1900
