Product introduction:

Portable micro high-pressure air compressor.

1. It is applicable to firefighting,underwater breathing,CSEl and other fields.

2. It does not require installation and takes small space because of its compact structure.

3. It enables simple operation, reliable operation and easy maintenance.

Automation control system,automatic sewage discharge system(optional) The air quality meets the standard for breathing air: EU EN12021.

It has passed EU EN12021 Certification and ISO9001 Quality System Certification.
