China CZF-3.5/1 Type Low Pressure Marine Air Compressor:

Model: CZF-3.5/1 Type Low Pressure Marine Air Compressor

Type: single, air-cooled, piston

Displacement: 3.5 m3 / h

The rated pressure: 1.0 MPa

Product features

The product has a simple structure, small volume, low energy consumption, low noise, and long service life.

Type has a single row, V, W, the secondary compression piston.

Low energy consumption, low noise, long service life.

Products with manual/automatic stop, start, and unloading relief function.

Apply to ship whistle, oil and gas stove and ancillary equipment required for air.

Easy to maintenance.
