DQM45A Marine Ice Maker

1. Use efficient compressor
2. Use environmentally friendly refrigerant
3. Large ice storage capacity in the ice tank
4. Push-up ice slot cover, effectively saving space
5. The design of airflow before going forward, high space utilization
6. Removable filter design, easy to clean
7. The unique built-in ice shovel suspension device, easy to take and use the ice shovel, more sanitary
8. Equipped with stainless steel adjustable feet for easy installation on board
