Dredge Pump Impeller And Other Quick Wear Part Fittings

General description

We can use the dredge pump drawing based on user’s to surveying and mapping on the spot to provide dredge pump impeller and quick wear part fittings as your require.

Advantage

Impeller is made of anticorrosive high wear resisting chromium alloy, design related inside impeller shape according to user’s original dredge pump water flow and relevant data. Ensure the dredge pump original character and the lifetime of the accessories to maximum extent.
