

ISO13729 A Type Deck Type Chock With Foundation

Export Supply

A large, white, heavy-duty metal lifting device, likely a winch or hoist, is the central focus. It features a large, U-shaped handle with a central opening. The device is mounted on a sturdy base with the text "SWL 150T" printed on it. The background shows a warehouse setting with other similar equipment wrapped in plastic. The website "jinbomarine.com" is visible on the side of the device.

We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.

Origin China

Cast steel material.
