2.5	24	7-10	0.07-0.13

## Our commitment

1. Material: over 50% natural rubber
2. Life span: at least 10 years
3. Guaranty period: 1 year
4. Certificates: CCS, GL, BV.etc.

## Superiority

easy instalition & remove----- save time and labour cost

reparable-----can be used for 65-80 times.

guaranteed stable quality-----made of natural rubber and synthetic rubber

we can finish all the processing work by our own plant-----saving your time and money

winding technology-----make sure good quality & high anti-pressure ability

good sealing performance-----no worried about it's working ability

multiple specification-----can meet your needs

more than 10 year's working age-----save purchase time and money
