Certificate	ABS, LR, BV, DNVGL, NK, KR, IRS, RMRS, CCS

We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.

Technical Specifications

Category	Pump Motor And Accessories	Model / SKU	KCB-55-gear-pump-spares-mechanical-seal
Standard	DIN	Material	because this type of oil pump has many USES, the sealing material (friction pair) is also different, in order to ensure the reliability of the seal The manufacturer recommends the following:
Certificate	ABS, LR, BV, DNVGL, NK, KR, IRS, RMRS, CCS	Warranty	12 Months unless specified otherwise
Origin	China		

China KCB-55 gear pump spares mechanical seal:

Note: because this type of oil pump has many USES, the sealing material (friction pair) is also different, in order to ensure the reliability of the seal

The manufacturer recommends the following:

) clean oil (excluding working condition of particulate matter) - ring friction pair chooses (sic), static ring friction pair chooses (graphite)

Working condition with particles and large vibration -- the dynamic ring friction pair is selected (alloy/silicon carbide), while the static ring friction pair is selected (alloy/silicon carbide).

Can also be customized according to customer requirements. If does not require the default as () clean oil)
