Manual Sailing Winch

General description

Manual Sailing winch are designed for boatbuilders and sailors. Winches feather mirror-polished drums with stainless steel tops, self-sailing jaws. And we've completely covered the winch tops so clothing or fingers don't get caught in moving parts. Available in 1or 2 speed self-sailing styles.

Feathers:

Simple servicing: No tools are required to service the winches

Gripping surface drum: The drum's gripping surface is shaped for each winch size and drum material and features ribs to maximize gripping power and greatly reduce line wear.

Whole Mirror-polished: The whole winch mirror-polished, whole stainless steel

Wave spring jaw and feeder arm: The cast stainless steel feeder arm position can be adjusted to smoothly feed the rope out of the jaws and into the cockpit.
