Export Supply

Key Highlights

Category	Marine Pressure Gauge
Standard	EN
Material	Stainless Steel
Weight / Size	It is covered by the stainless steel body, with the features small size,...
Certificate	Mill certificate

We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.

Technical Specifications

Category	Marine Pressure Gauge	Model / SKU	Marine-Pressure-Sensor-YSZK-series
Standard	EN	Material	Stainless Steel
Weight / Size	It is covered by the stainless steel body, with the features small size, easy installment, high accuracy, reliability and long service life.It is used to measure the pressure of liquid and gas in the vessels and other equipments.	Certificate	Mill certificate
Warranty	12 Months unless specified otherwise	Origin	China

China Marine Pressure Sensor YSZK series:

Marine Pressure Sensor YSZK series is composed of diffuse silicon pressure sensor and digital signal transmitting circuit. It is covered by the stainless steel body, with the features small size, easy installment, high accuracy, reliability and long service life.It is used to measure the pressure of liquid and gas in the vessels and other equipments.

Specification:

Supply Power: DC 24V

Accuracy: +-0.5% FS

Working Temperature: -20~80 degree centigrade

Output Signal: DC4~20mA

Protection: IP66

Overload: 250% above max range

Pressure Connection Size: G1/4",G1/2" M20*1.5
