## China Piston ring:

Piston was produced with the latest Forging and Casting technology.

We manufacture single part Piston(Casting Aluminium with Carrier ring),One-piece thin-wall casting iron Piston and composite Piston(Forging purifier steel crown with Forging aluminium skirt / Casting iron skirt).

To meet our key objectives of product quality, our testing and quality control is precise and innovative. Ultra-sonic, Dye-penetrant and X-ray testing consistently ensure that Piston are crack-free and according to the industrial standards.

Available Piston ring:

L67GF Piston ring,NPR Piston ring
