- Specification:

China Portable Explosion Proof Hand Lamps:

Shell material chooses ZDL-102 aluminum alloy die-casting molding, and coated with good protective lacquer layer. Lamps shell seal no hole, the dry reed pipe and strong magnetic switch structure, ensure explosion proof performance.

Lamps have safe screw, to ensure that in flammable and explosive place open lamps and lanterns.

The lamps is widely used in ship customs, ports, airports, public security fire control, frontier armed police and dangerous goods truck and other places.

DF-6 Portable Explosion-Proof Lamp with Dry Cell

Specification:

Rated Voltage:7.2V/0.5A

Charging time:more than 3h

Explosion-proof class:IP65

Flux:130

Temperature resistance:200C--+500C

Max range:300M

Battery:Dry battery

Size:130*225MM

Weight:1.1KGS
