Key Highlights

Category	Marine Propeller
Standard	EN
Material	Cu1, Cu2, Cu3, Cu4, etc.
Certificate	ABS , BV, DNV , LR , GL , CCS, RINA , mill certificate etc.

We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.

Technical Specifications

Category	Marine Propeller	Model / SKU	Three-blade-propeller
Standard	EN	Material	Cu1, Cu2, Cu3, Cu4, etc.
Certificate	ABS , BV, DNV , LR , GL , CCS, RINA , mill certificate etc.	Warranty	12 Months unless specified otherwise
Origin	China		

China Three-blade propeller:

Three-blade propeller is the most efficient available. The powerful shape that will drive your boat well, converting more of the horsepower into thrust than any other propeller. Yet, the tight triangle formed by the blades when folded, is very low in drag.

Generally speaking, when compared to a 2-blade, the 3-blade will give you better performance when powering against a head sea and while maneuvering in both forward and reverse.

Our products has been approved by ABS, BV, CCS, DNV, GL, KR, LR, NK and etc., and obtained the authentication certificate of Quality System

Please supply us your drawing or samples to let us help you manufacture the propeller you need.
