China Tirfor complete set:

Tirfor complete set is steel wire rope hoist used to lifting, pull and tension.

Multiple Operation

- works in any position horizontal, vertical or angled
- unlimited length of wire rope
- increase the nominal capacity with multiple sheave blocks

Simple

- fast and easy installation
- simple to feed in or remove the wire rope
- continuous operation without snatching
- reduced maintenance by simple cleaning and regular lubrication
- changeover from forward to reverse operation by transfering the operating handle from one lever to another

Robust

- high mechanical advantage
- both ranges will operate in the most difficult conditions
