

ZXQ400A(C) / ZXQ500A(C) / ZXQ600A(C) Rectifier Module

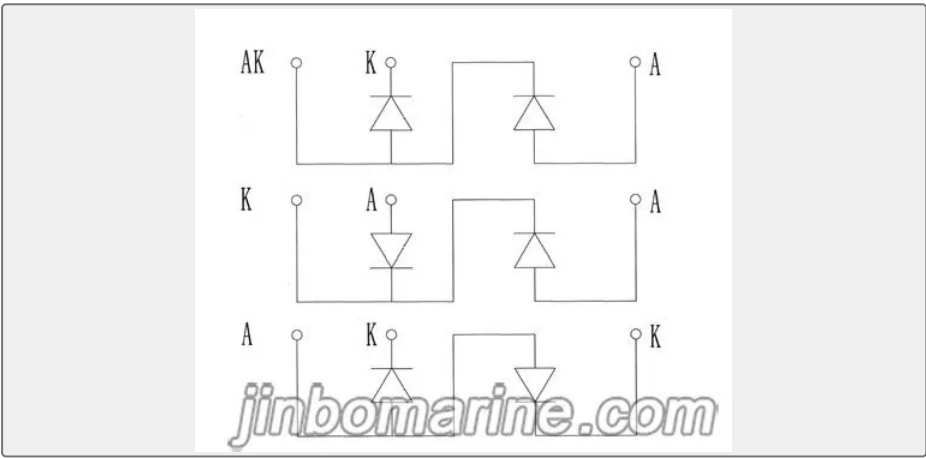

A black, rectangular, heavy-duty component, likely a solenoid or actuator, with three hexagonal bolts on top and mounting tabs on the sides. The component is shown from a three-quarter perspective, highlighting its robust construction and mounting features.

We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.
