Certificate	ABS, LR, BV, DNVGL, NK, KR, IRS, RMRS, CCS
We can supply according to your requirement, drawings, class certificate needs, and delivery schedule.	

Technical Specifications

Category	Marine Navigation Equipment	Model / SKU	AM708-Meteorograph-Anemometer
Standard	DIN	Certificate	ABS, LR, BV, DNVGL, NK, KR, IRS, RMRS, CCS
Warranty	12 Months unless specified otherwise	Origin	China

China AM708 Meteorograph Anemometer:

Marine meteorograph AM708D is a comprehensive multi-functional measuring instrument that integrates wind speed, wind direction, temperature and air pressure. It can not only accurately and currently display the measure results of relative wind speed and direction, absolute wind speed and direction, air temperature, relative humidity, and air pressure, but also automatically print out these parameters, including time, longitude and latitude, ship speed and heading. It is an important instrument for precise survey of ships, so to better ensure the safety of navigations.

Direction range:0 to 359 degree.

Direction accuracy:±1 degree.

Data output:NMEA0183.

Wind speed range:1.2-60M/S.

Speed accuracy:0.1M/S.

Power:AC220V DC24V Equal or less than 5W
