China edyF201 Improved Safety Type Ex-proof Fluorescent Light:

Application

Applied to illumination of ship oil exploit platform, chemical product and explosive gas plaze zone 1 and zone 2.

Product Feature

1. The body is made of cast brass, lampshade is transparent toughened glass, with stainless steel metal guard, high water-proof and anti-corrosion.
2. Production class is IP56.

Standard

1. Chapter 3, Part 4 of Classification Society Rules for Classification of Sea-going Steel Ships 2015 and its Amendments;
- 2.GB7000.1-2015 , Luminaires –Part1:General requirements and tests.

3.Confirm to the GB3836.1-2010<explosion environment first parts:general requirements for equipment> and GB3836.2-2010<explosive environment-parts second:equipment protected by flameproof enclosure D>
