## K7 Marine Multi-Purpose Machine

1. The planetary movement of the agitator, so that the food can be fully mixed
2. It adopts mechanical speed change, has multi-level speed, and is equipped with three types of agitators: snake-shaped, beat-shaped, and flower-bud
3. Stainless steel mixing barrel
4. A safety net cover is set on the mixing barrel
5. The base form is suitable for installation and fixing on ships
