RX240Marine Industrial Washing Machine

1. Rigid installation, 200G factor medium speed dehydration
2. Stainless steel top plate and carbon painted front and side panels
3. Stainless steel inner and outer cylinder
4. Xcontrol-simple control microprocessor
5. Patented hopper box
6. Large drain valve
7. Convenient front panel maintenance
8. Super door opening angle, convenient and fast loading and unloading of linen
9. The base form is suitable for installation and fixation on ships
