China Spot Light TG2-A TG2-B:

Used to illumination of ship, port, dock, station and plaza etc.

Main Specification:

|                   |                  |            |
|-------------------|------------------|------------|
| Type              | TG2-A            | TG2-B      |
| Power             | 500W             |            |
| Weight            | 9.7kgs           |            |
| Luminous Flux(lm) | 8300             |            |
| Voltage           | DC11V/AC220V     |            |
| Lamp Holder       | E40              |            |
| Illuminant        | Incadescent Bulb |            |
| Material          | Steel            |            |
| Protection Class  | IP56             |            |
| Cable Diameter    | Dia10-12mm       |            |
| Remark            | Without Guard    | With Guard |
