

# DS 系列连续单体速冻装置

DS SERIES CONTINUOUS SINGLE QUICK-FREEZING UNIT

## ■ 型号 MODEL

DSB(DSW) — XXXX

标准冻结量, 千克/次

Standard frozen capacity, kg/time

DSB-板带式连续单体速冻装置, (DSW-网带式)

DSB-flat belt Continuous single quick-freezing unit, (DSW-net belt)

## 主要技术参数

### MAIN SPECIFICATION

| 型号<br>Model | 冻结能力<br>Capacity<br>Kg/h | 冻结时间<br>Freezing time       | 进料温度<br>Exporting temperature | 出料温度<br>Exporting temperature | 冻结温度<br>Freezing temperature | 耗冷量<br>Refig Capacity<br>(kw) | 通道高度<br>Passage way capacity<br>(mm) | 制冷剂<br>Refrigerant   | 装机功率<br>Install Power<br>(kw) | 重量<br>(t)<br>Weight |
|-------------|--------------------------|-----------------------------|-------------------------------|-------------------------------|------------------------------|-------------------------------|--------------------------------------|----------------------|-------------------------------|---------------------|
| DSB250      | 250                      | 6-60<br>分钟<br>可调<br>Minutes | +15℃                          | -18℃                          | -40℃                         | 70                            | 70                                   | R717<br>R22<br>R404A | 7.6                           | 6                   |
| DSB500      | 500                      |                             | +15℃                          |                               |                              | 110                           | 70                                   |                      | 13.8                          | 9                   |
| DSB750      | 750                      |                             | +15℃                          |                               |                              | 170                           | 70                                   |                      | 20.2                          | 12                  |
| DSB1000     | 1000                     |                             | +15℃                          |                               |                              | 230                           | 70                                   |                      | 27                            | 20                  |
| DSW500      | 500                      |                             | +15℃                          |                               |                              | 90                            | 100                                  |                      | 19.5                          | 6.5                 |
| DSW1000     | 1000                     |                             | +15℃                          |                               |                              | 175                           | 100                                  |                      | 27.9                          | 10.5                |
| DSW1500     | 1500                     |                             | +15℃                          |                               |                              | 240                           | 100                                  |                      | 39                            | 14                  |

DSB-板带式, 冻结能力以裸冻扇贝计; DSW-网带式, 冻结能力以裸冻饺子计。

DSB-flat belt, capacity according to freezing shellfish; DSW-net belt, capacity according to dumpling without package.

## 主要尺寸

### MAIN SIZE

| 项目 Subject<br>型号 Type | L<br>(mm) | L <sub>1</sub><br>(mm) | L <sub>2</sub><br>(mm) | W<br>(mm) | H<br>(mm) |
|-----------------------|-----------|------------------------|------------------------|-----------|-----------|
| DSB250                | 8130      | 1800                   | 870                    | 2300      | 2800      |
| DSB500                | 15330     | 1800                   | 870                    | 2300      | 2800      |
| DSB750                | 22530     | 1800                   | 870                    | 2300      | 2800      |
| DSB1000               | 15330     | 1800                   | 870                    | 4400      | 2900      |
| DSW500                | 7180      | 1100                   | 1100                   | 3200      | 2760      |
| DSW1000               | 15280     | 1100                   | 1100                   | 3200      | 2760      |
| DSW1500               | 15280     | 1100                   | 1100                   | 4200      | 2760      |
